Have You Been Forgiven?

Facts To Consider:

Everyone needs God's
forgiveness. - Romans 3:23

Without God's forgiveness, you
will die in your sins and spend
eternity in hell. - Romans 6:23

Jesus Christ paid the penalty for
your sins so that you could be
forgiven. - Romans 5:8

Only those that trust Jesus Christ
as their Lord & Saviour can have
forgiveness. - Romans 10:9-11

Forgiveness can be obtained by
any and all by simply calling
upon God in faith. - Romans
10:12,13

Why not pray and ask Jesus to
save you from your sins and be
born again into God's family?

Your Church's Name

Dear Person's Name,

It was so good to have you at our services on Sunday. I sincerely hope that you enjoyed your visit and made some new friends. I especially pray that you sensed the presence of the Lord in this place and found sincere Christian love.

We believe we have an unusual church. So many times I've heard people talk about how unwelcome they have felt visiting different churches. I have also heard of so many churches that are straying from the Word of God. The combination of these two things have discouraged many people from ever going back to church again. We believe that we need to go back to the Bible as our sole authority in all matters in life. In the days of the apostles the church was a loving, giving, and caring family. They hated sin but loved the sinner. They believed each and every soul had a specific function and purpose in God's plan. At New Durham Baptist, we strive for that kind of church. It is true that you will not find a perfect church, for a church is made up of imperfect people. But, I believe you will find, or have found already, YOUR CHURCH'S NAME to be a place where you feel the love of God and a place where the Bible is uncompromisingly followed.

I pray that you will be back again and again and that you may YOUR CHURCH'S NAME to be your home. I am here to help you in any way that I can. Feel free to call me at any time and may God richly bless you as you follow the Lord Jesus Christ!

In His Service,
